Wigmore Soloists is a new chamber ensemble comprising a roster of outstanding musicians, led by Isabelle van Keulen and Michael Collins, and created with Wigmore Hall's Director, John Gilhooly.

This new and innovative ensemble performs repertoire both old and new, and commissions leading composers to expand upon the extensive catalogue of chamber music works. With a large core line up of string quintet, wind quintet and piano, the group performs a wide and varied repertoire and is dedicated to revitalising great works at the highest level.

Taking the name of one of the world's most iconic concert halls (the first time an ensemble has been given this honour), the group gives regular concerts at Wigmore Hall and in other major venues around the world. They have recorded two discs so far: Schubert's Octet, and the Mozart Clarinet Quintet, on BIS Records, and will perform several more Wigmore Hall concerts throughout the 2021/22 Season.
